What to Bring:

Your child will need the following items whilst attending crèche:

- A healthy snack (children will often eat a healthier option when surrounded by their peers, regardless of age. Fruit, yoghurt, vegie sticks and dips are great options. Nut Free Zone)
- A water bottle (we provide spare cups for the occasions when it is forgotten.)
- A change of clothes (we strongly believe in children learning through play as it fosters curiosity, experimentation and imagination whilst engaging all their senses.)
- Nappies and Wipes if your child is still in nappies.
- A comfort item if you think this will assist your child

Staffing:

All childcare educators working in the crèche are required to have a Certificate 3, Diploma or Bachelor of Early Childhood Education, as well as current First Aid, CPR, Asthma, Anaphylaxis and active Working with Children Checks.

Programming:

Our children's program is developed to accommodate the variety of ages and abilities of all children in our care. We aim to assist children to become independent learners through quality care and educational program. Our team of educators work together to develop a program, that is reviewed and adapted on a daily basis to support the changing needs and interests of the children. Photographic Reflections are displayed on our Reflection and Programming wall. Parental input is highly valued at our service. Please let the staff know, or write a message in our communication diary, and we will implement your ideas where possible.

Behaviour Management:

The techniques we use when dealing with children's behaviour are obviously going to be different than those that are used at home. Our aim is to provide children with a positive atmosphere and to establish opportunities for recognizing and reinforcing appropriate behaviour. When children understand the reasons for limits they are more likely to follow them. Teaching children the reasoning for a limit helps them to gain a better understanding of why the limit is put in place.

Delivery and Collection of Children:

The safety of the children in our care is of the utmost importance. Children are only permitted to be collected by a person who has been listed on a child's enrolment form. For more details or to add additional people to this list after enrolment has commenced, please see one of our childcare educators.

Children's Health and Wellbeing:

To minimise the spread of potentially *infectious diseases* between children, and centre staff, Mildura Waves Creche Educators may exclude children who they deem too ill to attend. This is at the discretion of the educators and Centre Management. More information is available in our Infectious Diseases Policy.

Anaphylaxis:

Anaphylaxis is a severe, life-threatening allergic reaction. We encourage families to avoid bringing nut-based products to avoid possible exposure to children with allergies that may attend our service. Children with Allergies/Anaphylaxis/Asthma are required to notify our childcare educators and to provide an Action Plan form a medical professional. A copy of our Anaphylaxis policy is available on our communication board.

Complaints Information:

If you have a complaint or concern, please speak with the Childcare Educators or contact via email at erynn.martin@alignedleisure.com.au

If you are not satisfied with their response, please contact Caitlin Byrne, in person or by phone 03 50 187 500.

If you have been unable to resolve your concerns, please see our complaints information on the Communication Board at the entrance to Crèche.

Immunisation Record:

Mildura Waves Creche Childcare service operates under the 'No Jab, No Play' policy. To have an enrolment confirmed for your child please provide the service with an Immunisation History Statement from the AIR. It must show that your child:

- is up to date with vaccinations for their age OR
- is on a recognised vaccine catch-up schedule OR
- has a medical condition preventing them from being fully vaccinated.

Parents and carers can print a copy of their child's Immunisation History Statement from their;
